

**Compostable items we do accept:**

- Fruit and vegetable scraps
- Pasta, bread, cereal
- Cooked foods
- Egg shells
- Coffee grounds, filters, & tea bags
- Paper towels and paper towel rolls
- Wax paper
- 100% paper products
- Pizza boxes
- Muffin wrappers
- Flour and sugar bags
- Plain paper plates not lined with plastic film
- Baked goods: Candies, cookies, pastries, cake, etc.
- Baking ingredients, herbs, spices
- Household plants including soil
- Pet food
- 100% BPI certified compostable products
- Meat, bones, fish products
- Dairy products

**Items we do not accept include but are not limited to:**

- PLASTIC (unless labeled BPI Certified compostable)
- Styrofoam meat trays
- Aluminum foil
- Clams, oysters, mussels (basically rocks)
- Candles, synthetic corks and gum
- Artificial flowers and plants
- Rugs, carpets
- Cigarette butts, tobacco
- Dental floss and Q-tips
- Baby wipes
- Disposable mop sheets
- Vacuum cleaner bags
- Pet waste
- Fireplace or BBQ ashes
- Recyclable materials
- Items labeled biodegradable (Basically meaningless. Simply means that an item will break down into smaller parts after disposal so technically even styrofoam could be called biodegradable.)
- Items labeled Oxo-Biodegradable (leaves tiny plastic particles in compost)
